

REMARKS

Originally filed claims 1-65 being canceled and new claims 66-132, being offered, Applicants believe that the claims have been clarified for more convenient examination. As originally filed, 10 claims were independent and 55 were dependent. In the set of claims 66-132, 10 claims are independent and the total claims are increased by two. Applicants attached a claim calculation sheet and a check for \$50 to cover the charge for extra claims.

Applicant believes that this amendment puts the application in better form for examination, which examination is earnestly sought.

If any questions, etc. my reg. no. is 31884

Respectfully submitted by Attorney for Applicant,
